

# WE ARE HIRING!

David Corban Architects, a Naples, FL based firm is looking for summer interns and recent graduates.

**We are a firm of 5 professionals led by a Mississippi State S/ARC graduate**

Much of our work is focused on the needs non-profit organizations, serving the most vulnerable in our community as well as the arts.

Sustainability and resilience are central to our practice. To this end, we have completed three LEED Gold projects in the last two years.

Recent project and projects on the boards include:

Shelley Stayer Shelter for Victims of Domestic Violence and Human Trafficking, the first purpose-built shelter for the victims of human trafficking.

Guadalupe Center van Otterloo Campus for Learning. A school for the very young children of the working poor in Immokalee, FL. The Tutor Corps facility provides mentoring for high school students and puts them on a track for college.

A Community Center for Immokalee with Catholic Charities. We are currently in the planning stage of this 6 acre mixed use project that will include affordable housing, medical clinic, university outpost, community center, incubator business space and a park.

Southwest Florida Museum of African American History. We are currently working with NAACP Collier County, the Community Foundation of Collier County and Collier County Museums on the design of this facility.

The Holocaust Museum and Cohen Education Center. We are currently designing the expansion of our award-winning design for this important facility.
