Based on the review of the Annual Report, the NAAB directors voted to accept the Annual Report and require a Special Report to address the following areas:

The program must provide a link via the program's website of an explanation of how student diversity goals affect admission procedures.

The program must provide a narrative and supporting evidence to demonstrate compliance with these Conditions. The Special Report is due no later than **June 30, 2024**.

Please feel free to contact us with any questions at accreditation@naab.org.
